

Granite Staters

"Wherever we go, we have fun"

Glen Ellis Family Campground

Glen NH

May 16 - 19, 2019

This is a proposed rally suggested by Phyllis Barnes during the winter luncheon in Concord. We would share the campground pre season with the Saco River Ramblers (a Good Sam chapter). The campground is located right in Glen NH off of US 302 just west of the north junction of US 302 and SR 16.

Quoting from President Rich's March message:

"There are lots of things to do in the area. Heading west on Route 302 is the White Mountain National Forest with Crawford Notch State (Park), the Mt. Washington Hotel and the Cog Railway. Heading north on Route 16 is Pinkham Notch and the Mt. Washington Auto Road. South of us in Conway are a lot of store outlets for shopping and the Conway Scenic Railroad. Across the street is Glen Junction - a wonderful place to have breakfast. Story Land will not be open that early in the season, but most of us are too old for that anyway!

"Having a joint activity with another organization is a little bit of a departure for us. But now that we accept towable RVs into the FMCA, a little cross pollination may be helpful. We need to hear feedback from members to know if there is enough interest to schedule this. "
