

WELCOME

To the Granite Staters

The **Granite Staters** is a small chapter, with fewer than 100 members, in the Northeast Area that was chartered in 1995. Our main focus is friendship and family. That is what the Family Motor Coach Association and the *Granite Staters* is all about.

We are a small group with RV's ranging 18 to 45 feet. All types of RV's are welcome. With our small group, it's easier to get to know everyone. Members are mostly from New Hampshire, but we do have folks from Maine, Massachusetts, Vermont, Connecticut, Rhode Island, Delaware, and Florida.

Our northern schedule: we meet during the months of May to October and have our winter dinner in January.

For those that are from Florida, and those that go south in the winter who have nicknamed themselves the "Granite Gators" - they have several rallies in the South during the winter months before heading north again in the spring.

OUR RALLIES

Granite Staters gatherings are fun, interesting, and maybe a little unusual. We encourage our members to actively participate in setting up rallies and to bring relatives, children, grandchildren, and if they have their own RV's so much the better. Of course, pets are always welcome.

We like our rallies to have different venues that provide various local attractions and sites to explore. We frequently play games, maybe do skits and generally have a fun time.

We usually provide some meals, and appreciate members to bring goodies to share and beverages for our Happy Hour.

When you are traveling in our region during spring, summer and fall look us up and join in.
